

AKHIL THIRUNAGARI

ASPIRING DATA ANALYST

+91-8501832831 | akhillucky957@gmail.com | linkedin.com/in/thirunagariakhil | Rajanna Siricilla, Telangana

PROFESSIONAL SUMMARY

Aspiring Data Analyst with hands-on experience in **Excel, SQL, Python, Power BI, and Tableau**, with a strong foundation in data cleaning, analysis, KPI reporting, and data visualization. Experienced in working with real-world datasets and developing data-driven projects using Python, SQL, and SQLite. Currently pursuing a **B.Sc. in Computer Science** with a focus on programming, databases, and data analysis.

TECHNICAL SKILLS

Data Analysis	Data Cleaning, Data Preprocessing, KPI Analysis, Data Visualization, Business Analysis
Programming	Python, Pandas, NumPy, Matplotlib
SQL & Databases	SQL, SQLite, Joins, Aggregations, Filtering
BI & Visualization	Power BI, Tableau, Excel Charts
Microsoft Excel	Formulas, Pivot Tables, Charts

PROJECTS

E-Commerce Product Analysis

Tools: Python (Pandas), SQL, Power BI

- Analyzed e-commerce sales, pricing trends, and customer behavior to identify key business performance insights.
- Cleaned and pre-processed raw product and transaction data using **Python and Pandas**.
- Developed SQL queries to extract business KPIs including **sales by category, abandoned carts, and customer lifetime value**.
- Used Power BI to support data visualization and reporting of analytical findings.

Student Management System

Tools: Python, SQLite, SQL, CSV

- Developed a student management application using **Python, SQLite, and SQL**.
- Implemented management of student records, courses, enrollments, attendance, grades, and fees.
- Created SQL-based reports and dashboards to support analysis of student and academic information.
- Worked with structured data using SQLite and CSV-based datasets.

EDUCATION

Bachelor of Science in Computer Science

Satavahana University, Rajanna Siricilla | 2021–2026

Coursework and learning in programming, databases, and data structures. Developed an interest in data analytics through academic coursework and self-learning.

CERTIFICATION

Data Analytics Course — Simple Learn | SkillsUp

Completed: 2025

Learned Excel, SQL, Python, Power BI, and Tableau. Worked with real-world datasets involving data cleaning, visualization, and reporting.

CORE COMPETENCIES & LANGUAGES

Core Competencies: Analytical Thinking | Problem Solving | Communication | Attention to Detail | Quick Learning | Team Collaboration

Languages: Telugu (Native) | Hindi (Fluent) | English (Conversational)
